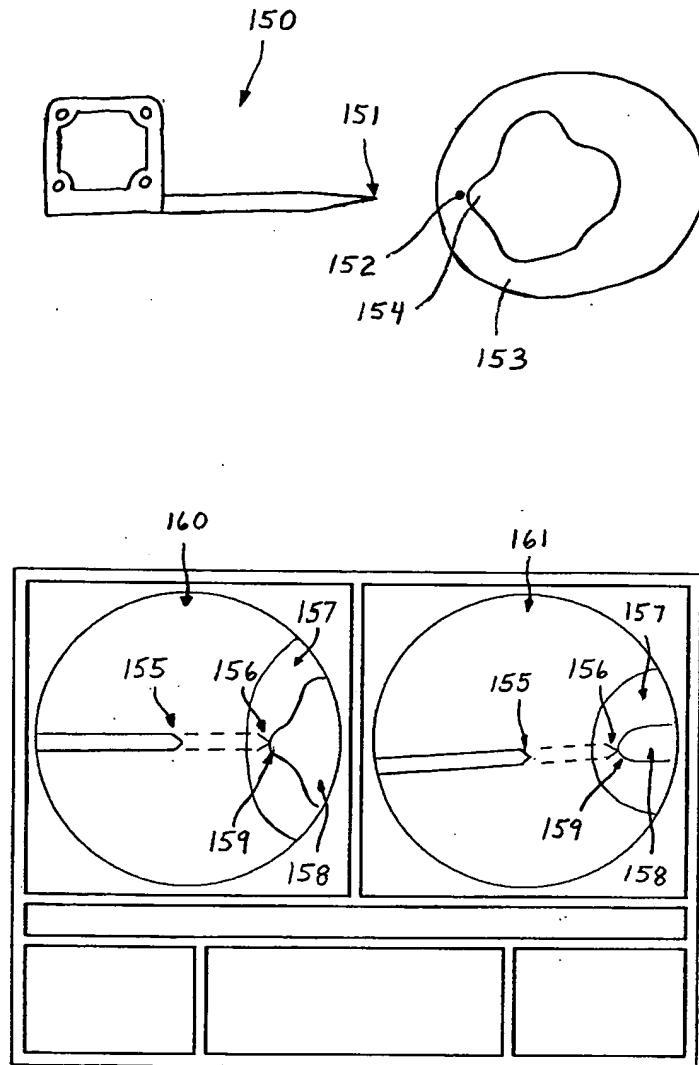

FIG. 7.

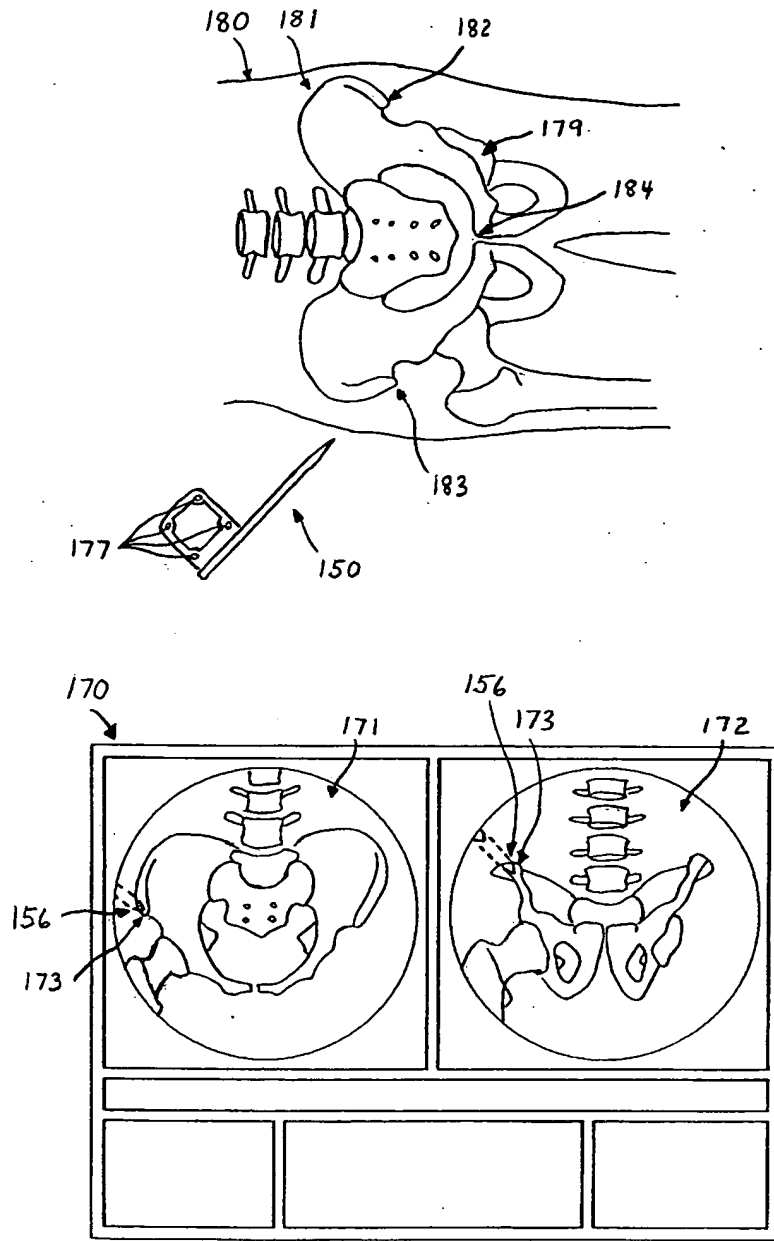

Figure 1 is a detailed anatomical diagram of a lumbar vertebra and its associated structures. The diagram shows the vertebral body, intervertebral discs, and surrounding ligaments. A grid is overlaid on the vertebra, with lines labeled 182, 183, 184, 185, 186, 187, 188, and 189. A surgical approach is indicated by a line labeled 191, leading to a point labeled 192. Other labels include 190, 193, 194, and 195.
